

# Measure Your DEI Progress with the JAMS Neutral Utilization Report

JAMS clients can track and monitor  
their selection of diverse neutrals.

JAMS works closely with bar associations, affinity organizations, law firms and general counsel to promote increased diversity and inclusion in alternative dispute resolution. Many companies and organizations are already taking steps to create a more equitable legal industry. Requesting the confidential **JAMS Neutral Utilization Report** allows all stakeholders to monitor their DEI achievements.

To request a report or for more information, contact **Joanne Saint Louis** at [Diversity@Jamsadr.com](mailto:Diversity@Jamsadr.com).
